February Newsletter

As we stomp on through winter, we are glad to have a long weekend. The Dojo will be closed Feb 18th for Family Day. I hope all students enjoy this time with your families.

Gorge Karate Tournament Day

On Sunday March 24th, the Gorge Karate will play host to our First Tournament as part of the Meibukan or IMGKA. We hope this event will be a big success. For this to happen, we need all our students to take part. Students from Yellow Belt to Black Belt are required to do your part to help us put on this event. Students will take part in Kata, Weapons and Team Kata if they choose. Pre-registration of our students before the event will help to make the day run more smoothly. We will help all students to prepare for this, and for some it will be a first. We encourage participation with doing your best as the Key.

March Break

In preparation for our Tourney, we will have regular classes with some fun stuff thrown in. If you are going to be away, please let us know.

Easter Monday

The Dojo will be closed Monday April 1st. Ha Ha – No joke, Enjoy your long weekend.

If you require a tax receipt for training in 2012, please let Sensei Bill know.
