To all Gorge Karate Parents and Students

As you know the fight of covid is still alive in our Province. In accordance to the recent announcement, we will be closed until February 1st. We had intended to remain closed before the announcement came out today. At Gorge Karate, the safety and health of our students is always our first priority. It is our hope that all students and their families remain healthy and safe. During this time once again we are reminded of Dai Sensei Yagi, "To Endure In All Things". It is my hope that we will be able to get together to continue our training soon.

Yours in training Sensei Bill.

P.S. Reminder to all Black Belts that their \$40.00 yearly Membership Fees are due. Please send as soon as possible so that we can forward these on to Okinawa.
